

Call for Minisymposium Proposals, Contributed Talks and Posters to ECMI 2016

The 19th European Conference on Mathematics for Industry

13-17th June 2016

Santiago de Compostela, Spain

Dear colleagues,

It is a pleasure for us to invite you to participate in the [19th European Conference on Mathematics for Industry](#), ECMI 2016, which will be held on 13-17th June 2016 in Santiago de Compostela, Spain.

ECMI conferences are promoted by the [European Consortium for Mathematics in Industry](#) with the aim to enforce the interaction between academy and industry, leading to innovation in both fields.

The conference is jointly organized by the [Department of Applied Mathematics](#) of the Universidade de Santiago de Compostela (USC) and the [Spanish Network for Mathematics & Industry \(math-in\)](#).

All relevant information regarding the conference will continuously be updated on the conference website:

<http://www.usc.es/ecmi2016>

HOW TO CONTRIBUTE

You are kindly invited to submit a contribution for ECMI 2016 in one of the following formats:

- [Minisymposia](#)
- [Contributed talks](#) or
- [Posters](#)

All the proposals must be submitted through the Online Conference Service ([OCS](#)) provided by Springer.

Call for Minisymposium Proposals

At ECMI 2016 there will be several parallel minisymposia. A minisymposium normally consists of 4-6 short talks (30-20 min.) connected with a specific subject. In order to submit a minisymposium proposal, please provide the following information:

- Title
- Organizer(s)
- Affiliation and Contact Information of the Organizer(s)
- Short description
- Motivation/Relevance to ECMI
- Confirmed speakers
- Other proposed speakers
- Industrial participation

The proposal can be written in a free format and must be submitted through the Online Conference Service ([OCS](#)) no later than **30th November 2015**.

The notification of acceptance will be given as soon as possible and in any case no later than **20th January 2016**.

The final selection of minisymposia will be based on scientific excellence, industrial relevance and quality of confirmed/proposed speakers.

Call for Contributed Talks and Posters

All the participants interested in giving an oral presentation or exhibiting a poster are invited to submit an abstract of maximum one page before **18th February 2016**.

The templates can be found on the conference website and the abstract must be submitted through the Online Conference Service ([OCS](#)).

Authors will be notified whether their abstracts have been accepted or not as soon as possible, and in any case no later than **18th March 2016**.

Publication of Proceedings

The [Proceedings](#) of ECMI 2016 will be published by Springer as part of the ECMI book subseries of [Mathematics in Industry](#). To participate in this publication the authors will be invited to submit an extended paper after the conference.

The fifteen best extended full papers will be published in a special ECMI 2016 issue of the Springer Open Access [Journal of Mathematics in Industry](#).
